HD network upgrade: 2019 conversion and launch schedule

We want you to enjoy high definition at its best, so we're making major upgrades to our network. When completed, nearly all channels will be carried in HD.

The following charts detail exactly when each channel will be upgraded from MPEG-2 to MPEG-4 in 2019. To learn more about what this means, please review our [Learn more about the HD network upgrade \(/english/support/article/8433/\)](/english/support/article/8433/) page.
